

CREATIVE WRITING WORKSHOPS

The primary aim of the workshops will be to provide a non-rigid forum where persons involved in creative writing may present their work (or not present if they so wish) in an atmosphere of constructive encouragement.

Since creative writing is of its nature a solitary process the workshops would hope to provide occasional respite from this.

Workshops will commence:

Charleville: Thurs. April 14th @ 7.30pm - 8.45pm

Kanturk: Tues. April 19th @ 7.30pm - 8.45pm

The workshops will continue for 6 weeks & cost €65

TAKING PLACE IN KANTURK & CHARLEVILLE APRIL & MAY 2016

The workshops will attempt to address topics of interest to the participants, and will also examine technical issues such as;

- Discovering the authentic voice.
- Different layers of exploration in fiction.
- How "Style, voice, beauty & truth" interact.
- The relationship between voice & style.
- Publish or perish.
- Priming the imagination.
- Mining the depths.
